1. [redacted] assistant to [redacted] brought in a contract for Colonel [redacted] a regular officer retired for disability, whom Colonel [redacted] wishes to utilize as an expert consultant on an intermittent fee basis. I advised that if his duties were truly intermittent and purely advisory and were reimbursed on fee basis per consultation, our present information indicated that Colonel [redacted] could accept the fees without relinquishing his retired pay for those days on which consultation was performed.

2. If further clarification from the Comptroller General indicates otherwise, we would notify Mr. [redacted]
